

# Farm Shed Rafter, Purlin Charts and Gusset details

## Producer Statement

### June 2017

*CGW Consulting Engineers has been engaged by LumberworX to provide design services for the development of the LSL10 IL1 Farm Shed Rafters, Purlin charts and Gusset details.*

*The Design has been carried out to AS/NZS1170:2002, NZS3604:2011 and NZS3603:1993 using sound and widely accepted engineering principals for Importance Level 1 buildings (Farm Utility Buildings).*

*We believe on reasonable grounds that the Rafter designs will meet the requirements of clauses B1 of the building code documents.*
